

**2014 UAA Budget
Projected Income and Proposed Expenditures**

2014 Income projection:

2014 member contributions:	\$19,500 *
Available carry-over from 2013	<u>5,800 (est.) **</u>

Projected income: \$25,300

* Income projection: Assumes that the UAA will not experience in 2014 the rapid growth in contributions achieved in 2013. Contributions for 2013 as of Nov. = \$18,186.

** As of 11/30/13, the UAA had cash assets of approx. \$15,800, including \$10,000 in an interest-earning account at LFCU. The EXCOM seeks to maintain a reasonable balance to cover potential costs if, for example, the projected “free space” for the 2014 AGM does not materialize or some membership activities are expanded in response to alumni requests. Hence, the EXCOM, in its review and approval of the 2014 UAA budget, will consider at its Jan. 2014 meeting the appropriate level of “reserves” for unanticipated expenditures.
